Connectivity: simplified

With the 9000 Smart and Honeywell's Total Connect Comfort services, you can remotely monitor and manage your home's comfort and energy usage anytime, anywhere.

Remote access via computer, tablet or smartphone

With Honeywell's free Total Connect Comfort app for iOS and Android™, you can:

- View and change your heating and cooling system settings
- Schedule remotely
- Get temperature alerts via email or app
- Access multiple locations if more than one system is connected
- Manage multiple thermostats if your system is zoned
- Get automatic software upgrades as new features are available

Once your thermostat is installed by your heating and cooling professional, go online to mytotalconnectcomfort.com to create an account and get remote access to your thermostat no matter where you go. Don't forget to install the FREE app on your tablet or smartphone!
